## ◆ 학습계획 ◆

### > 과목개요

This course is designed with the aim to help prospective English language teachers to gain understanding of the importance of public speaking and to develop writing skills in various contexts. The course aims to build communicative skills to express ideas and opinions effectively in speech and writing.

### ▷ 학습목표

Participate in discussions and debates to express their opinions; Prepare, lead, and moderate a small group discussion; Give a well-organized presentation on various topics; Identify key arguments in published texts and the writing of your peers; Create and defend arguments of your own through effective rhetorical strategies and synthesis of others' ideas; Use the conventions of academic discourse.

### ▷ 수업자료(교재)

Keynote 4, Pathways 3 (subject to change. So, please do not purchase these textbooks until further announcement is made).

## ▷ 과제물

8 reading responses, two individual presentations

# ▷ 주별학습내용
